

37th ANNUAL POWER OF THE PAST 9th & 10th of November, 2024

Dear Club Member,

We ask you to consider displaying your vehicle at our annual Power of the Past event, which this year will be featuring a significant display of historic vehicles on the main oval. Historic vehicles are welcome on both days but many clubs choose to make the Sunday a club run day.

This year will feature two categories of entry. To be judged and to be eligible for a trophy an entry form must be completed and submitted to the Registrar. Forms are available on the internet at the Club web site, www.ahmrc.org

Entry forms can be mailed to your Club or if you would prefer, entry forms will be mailed directly to you. Please contact us as per the details below.

The entry fee is \$20.00 which includes a rally pack, entry for two people, rally badge and eligibility for trophy judging in the featured vehicle category. The completed entry form must be received by the 30th of September 2024. The vehicle must be available on both days for judging. To be eligible for judging the vehicle must have been manufactured in or before 1999

Alternatively, entries can be for display only and no pre-registration is required. This allows for the collectable vehicle to be parked on the oval for viewing by the public. Vehicles are not required to stay for the whole day. Entry charge will be \$5 (including driver or rider) or \$10 (if there is a passenger). NB Children 16 and under are admitted free.

Why not organise a club day run on the 9th or 10th? You can have a picnic lunch next to your vehicle, or there are excellent BBQ, tea, coffee, cake, ice cream, drinks and other food stalls available around the oval.

If your Club decides to make the event a day run it is essential that you advise me on which day you will be attending, and the number of vehicles involved by the 10th of October 2024. This is to ensure we have sufficient space set aside for your club.

In addition to the cars, motorcycles, tractors, engines, trucks etc. on display, there are displays of collectable items, e.g., household, tools, farm equipment and many others. There will be an arts and craft and collectables display.

Due to insurance issues, there will not be a swapmeet at Power of the Past 2024

Judging at Power of the Past is based on the authenticity of a restoration.

Information boards giving details of your vehicle are appreciated by the public when viewing your exhibit.

For further information contact Allan Wheaton 0408 899 775 or Bev Hunter 0427 970 518 or email to pop@ahmrc.org
